

Tori Schmanski's Funeral Service

Opening Music

"Victoria" by John Mayer

Don't know why Tori came by
but I could see by the look in her eyes
Tori'd been driving 'round the town for a while

Playing with the thought of leaving

Don't know why, but Tori just smiled
and mentioned something about how you were right
Must have been hard to see through the tears she was hiding

She said "I might not be seeing him soon"
"I've got a few things I've been waiting to do"

Hey, Tori came by
Tori came by tonight
Hey, Tori came by
She says to say goodbye

Looked outside at the car in the drive
and the suitcase on the back seat inside
Sure it's so she can't look out behind at the road

She said "I might not be seeing him soon"
"I've got a few things I've been waiting to do"

Hey, Tori came by
Tori came by tonight
Hey, Tori came by
She says to say goodbye

Don't look down, she seemed alright
You might be asking where is Tori tonight?
Somewhere out on the highway I'm sure she's fine

Closing Music

"Hear You Me" by Jimmy Eat World

There's no one in town I know
You gave us some place to go.
I never said thank you for that.
I thought I might get one more chance.
What would you think of me now,
so lucky, so strong, so proud?
I never said thank you for that,
now I'll never have a chance.
May angels lead you in.
Hear you me my friends.
On sleepless roads the sleepless go.
May angels lead you in.
So what would you think of me now,
so lucky, so strong, so proud?
I never said thank you for that,
now I'll never have a chance.
May angels lead you in.
Hear you me my friends.
On sleepless roads the sleepless go.
May angels lead you in.
May angels lead you in.
May angels lead you in.
And if you were with me tonight,
I'd sing to you just one more time.
A song for a heart so big,
god wouldn't let it live.
May angels lead you in.
Hear you me my friends.
On sleepless roads the sleepless go.
May angels lead you in.
May angels lead you in.
Hear you me my friends.
On sleepless roads the sleepless go.
May angels lead you in.
May angels lead you in.
